

Snack Pak 4 Kids (SP4K) wants to send out a BIG thank you to Cambridge Girl Scout Troops #490 and 978 who helped with the Peanut Butter jar drive in November!

Because of the troops' efforts and the generosity of everyone who contributed, SP4K has been able to supplement all of the bags that were distributed for the Thanksgiving and Christmas breaks.

In addition to that achievement, there were enough jars collected to also be able to take care of the Spring and Summer break bags!

That's an ENTIRE year of extra peanut butter at times when the students who are enrolled in the program need them the most!

**THANK YOU!**
